The request should be submitted to the Management Board at least 21 days prior to the date of the Extraordinary General Meeting, i.e. by March 13th 2012. The request should include grounds for or a draft resolution pertaining to the proposed item of the agenda. The request may be submitted in electronic form to: [wza@pbg-sa.pl](mailto:wza@pbg-sa.pl), or in writing to: Zarząd PBG S.A., ul. Skórzewska 35, Wysogotowo, 62-081 Przeźmierowo, Poland.

#### Shareholders' right to propose draft resolutions regarding any matters included in the agenda of the General Meeting or any matters to be added to the agenda prior to the date of the General Meeting

Prior to the date of the Extraordinary General Meeting, a shareholder or shareholders representing at least one-twentieth of the share capital may propose draft resolutions on matters included in the agenda of the Extraordinary General Meeting or matters to be placed on the agenda, either in writing to: Zarząd PBG S.A., ul. Skórzewska 35, Wysogotowo, 62-081 Przeźmierowo, Poland, or in electronic form to: [wza@pbg-sa.pl](mailto:wza@pbg-sa.pl).

#### Shareholders' right to propose draft resolutions pertaining to items placed on the agenda in the course of the General Meeting

In the course of the Extraordinary General Meeting, each shareholder may propose draft resolutions with respect to items included in the agenda.

#### Voting by proxy, including information on the proxy voting forms, and the manner of notifying the Company of appointing a proxy by electronic means of communication

Shareholders who are natural persons may participate in the Extraordinary General Meeting and exercise their voting rights in person or by proxy. Shareholders who are not natural persons may participate in the Extraordinary General Meeting and exercise their voting rights through person/persons authorised to make declarations of will on their behalf or by proxy. A proxy may exercise all the Shareholder's rights at the Extraordinary General Meeting, unless the power of proxy states otherwise. A proxy may grant further powers of proxy if the original power of proxy so permits. A proxy may represent more than one Shareholder and vote the shares of each Shareholder in a different manner. Shareholders whose shares are registered in a collective account may appoint separate proxies to exercise their voting rights attached to shares registered in the account. Shareholders whose shares are registered in more than one

securities account may appoint separate proxies to exercise their voting rights attached to shares registered in each of the accounts. A power of proxy to participate in the Extraordinary General Meeting and to exercise voting rights must be granted in writing or in electronic form. A power of proxy in electronic form does not require an electronic signature verified with a valid qualified certificate.

A form of the power of proxy and a proxy voting form will be available as of the date of this notice, at [www.pbg-sa.pl](http://www.pbg-sa.pl) in the relacje inwestorskie/WZA section. Using the forms is not obligatory.

Granting a power of proxy in electronic form should be notified to the Company by electronic means of communication, in a message sent [wza@pbg-sa.pl](mailto:wza@pbg-sa.pl), early enough for the Company to verify the identity and entitlement of both the Shareholder and the proxy. As every effort must be made to ensure effective verification of the document's validity, the power of proxy should be sent in the PDF format. A notification of granting a power of proxy should include precise identification of the proxy and the principal (first name, surname, ID card/passport number, Personal Identification Number (PESEL) and place of residence - in the case of natural persons; or name, registered address, number in the National Court Register (KRS) or other commercial register, registry court or other registration authority, and Taxpayer's Identification Number (NIP) - in the case of legal persons or other organisational units). Furthermore, the phone numbers and email addresses at which the Company will be able to contact both the Shareholder and the proxy should be provided. A notification of granting a power of proxy should also specify the number of shares on which the right to vote is to be exercised, as well as the date and name of the General Meeting during which the rights are to be exercised. Moreover, it should specify whether the power of proxy is valid only on the day when the General Meeting is opened or until its actual closing.

Along with the notification of granting a power of proxy, the Shareholder must send in a PDF file containing scanned copies of ID cards, passports or other official documents enabling identification of the Shareholder as the principal and of the appointed proxy. If a power of proxy is granted by a legal person or an organisational unit, the Shareholder as the principal must send in a scanned copy of the entry in the relevant register where the principal is entered or other document confirming the authorisation of a natural person (natural persons) granting the power of proxy to represent the Shareholder.

Documents sent in electronic form which are not drawn up in Polish must be translated into Polish by a sworn translator.

The Company may take appropriate steps aimed at verifying the identities of the Shareholder and the proxy. In particular, such verification may consist in exchanging e-mails or phone calls with the Shareholder or the proxy in order to confirm the granting of the power of proxy and its scope. The Company reserves the right to treat a lack of reply to any questions asked for verification purposes as inability to verify the granting of the power of proxy. This will constitute a sufficient basis to refuse the proxy admission to the Extraordinary General Shareholders Meeting.

The rules pertaining to notification that a power of proxy has been granted will also apply in the case of notifying the Company that a power of proxy has been revoked.

Any notification of granting or revoking a power of proxy which is not compliant with the foregoing requirements will not be binding upon the Company.

A manner of appointing a proxy remains at the discretion of the Shareholder and the Company shall not be liable for any failure to correctly complete the forms or for any acts of persons using the powers of proxy.

Sending in the above documents in electronic form will not release the proxy from the obligation to produce his or her identification documents when the attendance list of persons authorised to participate in the Extraordinary General Meeting is being prepared.

Possibility and manner of attending the General Meeting with the use of electronic means of communication. Speaking at the General Meeting with the use of electronic means of communication. Voting by electronic means of communication

Acting pursuant to Par. 27.3 of the Company's Articles of Association, the PBG Management Board resolved not to allow participating in the Extraordinary General Meeting called for April 3rd 2012, and taking the floor or exercising voting rights at the Meeting by electronic means of communication. The Management Board's decision is justified by the fact that there is no established practice to organise and conduct general meetings of public companies with the use of electronic means of communication and by a reasonable concern about the proper conduct of the Meeting. The Management Board believes that Shareholders may duly exercise their voting rights if the rule allowing communication by electronic means during the Extraordinary General Meeting is departed from.

Voting by postal ballot

Voting by postal ballot is not possible, as the Rules of Procedure for the General Meeting do not provide for voting in that manner.

#### **4. Record date**

The record date of the Extraordinary General Meeting is March 18th 2012 ("**Record Date**").

#### **5. Information on the right to attend the Extraordinary General Meeting**

Only persons holding Company shares as at the Record Date (March 18th 2012) will have the right to attend the Extraordinary General Meeting.

In order to ensure attendance at the Extraordinary General Meeting, entitled holders of bearer shares in book-entry form should request the entity maintaining their securities accounts – not earlier than after the notice of the Extraordinary General Meeting is issued, and not later than on the first business day after the Record Date, i.e. not later than March 19th 2012 – to issue personal certificates confirming their right to participate in the General Meeting. Certificates of the right to attend the General Meeting will constitute the basis for preparing lists handed over to the entity operating the depository for securities, pursuant to the relevant regulations on trading in financial instruments. Holders of rights attached to registered shares may attend the Extraordinary General Meeting if they are entered in the share register on the Record Date.

The list of Shareholders entitled to attend the Extraordinary General Meeting will be on display at the Company's registered office in Wysogotowo, at ul. Skórzewska 35 (62-081 Przeźmierowo, Poland), for three business days prior to the date of the Extraordinary General Meeting, from 8.30 am to 4.00 pm, at the Main Secretary Office in Building Z. A shareholder may request that

the list of shareholders be delivered to him/her free of charge via electronic mail, by providing an e-mail address to which the list should be delivered. Such requests should be sent to wza@pbg-sa.pl.

#### **6. Access to documentation and address of the website where information on the General Meeting will be made available**

The full texts of documents to be presented to the Extraordinary General Meeting, as well as the draft resolutions to be adopted, will be available at the Company's website as from the day of convening the Extraordinary General Meeting, pursuant to Art. 402<sup>3</sup>.1 of the Polish Commercial Companies Code.

Information concerning the Extraordinary General Meeting is available in the IR section of the Company's website at: [www.pbg-sa.pl](http://www.pbg-sa.pl).

#### **7. Verification of the identities of Shareholders and proxies on the date of the Extraordinary General Meeting**

In order to prepare the attendance list, the Management Board may request the attendees of the Extraordinary General Meeting to produce an ID card, a passport or another document confirming the identity of a given person. Moreover, persons representing a Shareholder which is not a natural person must furnish an original copy (or a copy certified by a notary public) of the valid entry from the relevant register or another document evidencing their authorisation to represent the Shareholder.

If a Shareholder participates in the Extraordinary General Meeting by proxy, the proxy must furnish the power of proxy (unless it was granted in electronic form) and produce an ID card, passport or other official document confirming their identity, containing details identical with the data stated in the power of proxy, while a proxy of a Shareholder which is not a natural person must additionally furnish an original copy (or a copy certified by a notary public) of the valid entry from the relevant register or another document evidencing the authorisation of the persons granting the power of proxy to represent the Shareholder.

Documents drawn up in a foreign language should be translated into Polish by a sworn translator.
