IMPORTANT NOTES

Instructions on how to complete the proxy voting form

Shareholders are requested to give their voting instructions by inserting "X" in the appropriate box. Shareholders who have resolved to vote differently on their shares are asked to indicate the number of shares to be voted "for", "against" and "abstained" in the space provided. If no such indication is given, the Proxy will be deemed authorised to vote in the specified manner on all of the Shareholder's shares covered by the power of proxy. The aggregate number of Company shares covered by an instruction whereby the Shareholder's shares are to be voted differently may not exceed the total number of Company shares held by the Shareholder.

Draft resolutions which are to be voted on according to the agenda are attached as an appendix hereto.

Please be advised that the draft resolutions attached hereto may differ from the draft resolutions actually put to vote during the Annual General Meeting. If this is the case, in order to avoid any doubt as to how the Proxy is to vote, it is recommended that a relevant procedure to be followed by the Proxy should be specified in the space marked "Other".

If a Management Board member, a Supervisory Board member, an employee of the Company or its subsidiary, or a member of the governing bodies of a subsidiary is appointed Proxy, the voting instruction form should be completed. However, if no specific voting instructions are given, if the option "at Proxy's discretion" is chosen or if an instruction is given to vote shares differently on a particular item of the agenda, then the Proxy is authorised to vote (i) in favour of draft resolutions proposed by the Management Board, (ii) in favour of draft resolutions proposed by Shareholders which neither significantly change nor prevent attaining the objectives set out in the draft resolutions proposed by the Management Board, (iii) against draft resolutions proposed by Shareholders which are either contrary to or prevent attaining the objectives set out in the draft resolutions proposed by the Management Board.

Shareholders who marked the "Other" box are requested to provide a detailed instruction on how the Proxy is to vote should any other draft resolutions be proposed by Shareholders. The Management Board wishes to advise you that if the Proxy is a Management Board member,

a Supervisory Board member, an employee of the Company or its subsidiary, or a member of the governing bodies of a subsidiary, then a failure to fill in the space marked "Other" will result in the Proxy being given the authority to vote in the manner specified above on the draft resolutions proposed by Shareholders.
